

Template 6

A balanced, high-contrast layout featuring two large, rounded-corner containers. This design uses a "card-within-a-card" structure to organize information into distinct thematic groups, utilizing the established Dodger Blue (#0496FF) and wild strawberry (#F865B0) accent system.

Color Palette:

- **Main Background:** Platinum Blue (#E6ECF2) .
- **Group Containers:** Oxford blue (#052438).
- **Title Bar 1:** Dodger Blue (#0496FF).
- **Title Bar 2:** Wild Strawberry (#F865B0).
- **Icon Line Art:** White with specific color accents (Blue/Pink) to match the group. Icons are in the icon folder. Their native colours are a black base with a teal highlight. I want you to change these.
- **Label Boxes:** Pure White (#FFFFFF).

Layout & Key Elements:

- **Two Primary Containers:**
 - Two oxford blue large, vertical rectangular cards with heavily rounded corners (approx. 40px radius) and soft drop shadows.
 - The containers are set against the Platinum Blue background with equal gutters.

- **The Icon Grid:**
 - Each container houses two large line-art icons side-by-side.
 - **Left Group:** Rocket and Trophy icons. They feature white outlines with Dodger Blue accents.
 - **Right Group:** Laptop/Chart and Mountain/Flag icons. They feature white outlines with Vibrant Pink accents.
- **Label Boxes:**
 - Underneath each icon sits a white "Label Box" with rounded corners.
 - **Text:** "Box 1" through "Box 4" rendered in **Satoshi Bold at 37px**, centered, in Black.

Animation Logic (Vertical Roll-Out):

- **Container 1 Entrance:** The first container pans up from the bottom of the screen. All of the containers assets are attached
- **Container 2 Entrance:** The second container pans down from the top of the screen. All of the containers assets are attached

Design Strategy: This is your "Thematic Milestone" template. It's designed to visually "box" ideas so the learner can compartmentalize different tracks of a course. The use of large icons provides high visual interest, while the clean white boxes at the bottom provide clear, bite-sized labels for the data.
