

Lesson Summary Template.

A comprehensive "Lesson Summary" screen designed to close out a video segment. It's always the last screen of the video. This template returns to the immersive dark aesthetic of the **Title Screen Template**, providing a cohesive visual "bookend" to the lesson. The layout uses the left-aligned "list" format to keep the recap points digestible, while the empty space on the right (highlighted by the background gradient) prevents the screen from feeling overcrowded. The high-contrast Oxford blue-on-darker- Oxford blue palette ensures maximum readability.

Background: Reuses the deep Oxford Blue (#052438) background with the signature radial "spotlight" gradient in the upper-right quadrant, maintaining professional continuity.

Key elements include:

- **Section Header:** The words "Lesson Summary" are positioned in the upper-left area in a bold, dodger blue (#0496FF) Inter extra bold font sized at 74px, clearly defining the purpose of the screen. It sits just above a stack of five horizontal pill-shaped bars
- **Recap List Items:** A vertical stack of up to five evenly spaced horizontal pill-shaped bars.
 - **Bar Design:** Each pill features a bright dodger blue (#0496FF) gradient fill. The bars are rounded at both ends and aligned to the left side of the screen.
 - **Iconography:** On the far left of each blue pill is a small white circular icon containing a "sync" or "refresh" symbol (two circular arrows), representing the act of recapping or reviewing information.
 - **Typography:** To the right of the icon, the placeholder text "Paste Recap [Number]" is written in a clean, white Satoshi Medium font, sized at 37px. Each of the five horizontal pill-shaped bars contains a learning outcome from the script.

The text within these pills are only placeholders. They must be editable and easily changed

Animation:

Animation Sequence

Step 1: Initial State (00:00)

The screen begins with only the "Lesson Summary" header visible against the blue gradient background. No list items are present.

Step 2: First Entry (00:01)

The first blue pill containing "Paste Recap 1" appears. It enters with a quick "wipe" or "fade-in" effect from left to right, settling just below the header.

Step 3: Second Entry (00:02)

A second identical pill for "Paste Recap 2" appears directly below the first. The vertical spacing is consistent (roughly 10–15 pixels apart).

Step 4: Third Entry (00:03)

The list continues to populate vertically with "Paste Recap 3". The animation timing is rhythmic, with approximately one second between each new item appearing.

Step 5: Fourth Entry (00:04)

"Paste Recap 4" appears below the third. The list is now centered vertically on the left side of the screen.

Step 6: Final Completion (00:05)

The final item, "Paste Recap 5", appears at the bottom of the stack. All five items remain static on the screen to conclude the animation.

Technical Motion Summary

- Duration: 5 seconds total.
- Frame Rate: Constant, linear progression.
- Transition Style: Sequential "pop-in" or staggered appearance.
- Alignment: All pills are left-aligned with the start of the "L" in "Lesson Summary."
- Pills roll out under each other.
